

COMMUNICATIONS WORKING GROUP MEETING

27TH JULY 2009

REPORT

1. The group discussed the next issue of the quarterly Parish Council newsletter, due in September. This newsletter is to be an insert in Wendover News. It was felt that there were several important items to include that could not be completed before the copy deadline for the September issue in early August and therefore permission is sought to delay the next publication until October.
2. A proposed list of articles was drawn up for inclusion:
 - Wendover Healthcheck – summary + progress to date – to be written by Steering Committee
 - Fun in the Park – pictures + small comment
 - Skate Park - access
 - Common Land – a feature on where common land is in Wendover
 - Small snippets on : new bus shelter; map put on the library wall; allotment successes; new water bailiff
 - Advert for a new Parish Councillor (if there is still a vacancy at time of submission)
 - Forthcoming PC Events Diary: Charity Market, Carols, Late Night Shopping)
 - Any other news items that the Chairs feel appropriate to include from their committees.

Deadline for submission to EC and FL Sept 1st.
