

ABOUT WENDOVER PARISH COUNCIL

Wendover Parish Council is the fundamental tier of local government in the parish. The parish is situated in the administrative area of Aylesbury Vale District within the County of Buckinghamshire.

The Parish Council meets on the first Monday of every month, except in May when it meets on the first Tuesday. Members of the public are very welcome to attend any of its meetings and are given the opportunity to make comments and observations during the period set aside for public participation.

Once a year, it decides what it is going to do during the next financial year, works out how much that will cost and then tells Aylesbury Vale District Council how much to raise through the Council Tax.

Wendover Parish Council employs staff to look after the recreation grounds in Hampden Meadow and Ashbrook as well as the Witchell. It is unusual in that it also provides and funds the Tourist and Community Information Office in The Clock Tower.
