It was NOTED that there was a cost-of-living crisis and the increase in Buckinghamshire Council Tax, they have already advised a 4% increase in respect of costs of services (1.99%) and adult social care (2%). It was **RESOLVED** that we should aim to deliver a budget that meant no increase on last year's precept payments.

It was NOTED that the tax base for these calculations would not be available to the Parish Council until the 6th December and because of that the current meeting schedule would not have time for appropriate consideration and approval.
