Investment & Deposit Policy

Wendover Parish Council acknowledges the importance of prudently saving, depositing and investing any surplus funds held on behalf of the community.

Parish Councils have the power to invest surplus funds under the Local Government Act 2003 which states that a local authority may invest:

- For any purpose relevant to its functions under any enactment.
- For the purpose of prudent management of its financial affairs.

The priorities for any investment or depositing decision by Wendover Parish Council shall be:

- Ensuring prudent investment of funds.
- The need to meet cash flow requirements to ensure adequate liquidity of its investments to ensure operational efficiency.
- Ease of operation, monitoring and reporting.
- The limitations of the Financial Services Compensation Scheme (FSCS).

This policy complies where applicable with the revised requirements set out in the Department of Communities and Local Government Guidance on Local Government Investments and considers Section 15(1)(a) of the Local Government Act 2003 and guidance within the Governance and Accountability for Local Councils Practitioners' Guide 2020 and should be read in conjunction with the Council's Financial Regulations.

1. Wendover Parish Council's bank account from which payments for expenditure is currently made by cheques, direct debit and debit card payments shall be maintained with a UK clearing bank.

2. All deposits and investments will be made in sterling.

3. Funds will only be deposited and invested with institutions that are covered by the Financial Services Compensation Scheme which currently provides protection on up to £85,000.

4. Typical investment period will be: 1, 3 or 6 months.

5. Long term investments are defined as over 12 months. Should the Council wish to invest in a long-term investment, it must identify the procedures for monitoring, assessing and mitigating the risk of loss.

5. As a principle, funds will be distributed between several organisations, to minimise any loss in the event of failure of a single institution.

6. Investments and deposits are overseen by the Finance Committee, via its quarterly meetings, or a full council meeting, whichever is first. The Council is ultimately responsible for its investment and safeguarding of funds.
