P24/041 24/01610/APP 3 St Annes Close Wendover Buckinghamshire

Householder application for loft conversion with two rear dormer windows and front rooflights
It was noted that this makes it into a 4 Bed + office from a 3 bed. It was further noted that there is not much parking in the area and this may potentially add to the parking problems. It was **RESOLVED** to remain neutral on this application due to concern about insufficient parking.

P24/042 24/01664/PAPCR Howard Fawcett & Partners Chartered Architects Chandos House 19 Back Street Wendover Buckinghamshire

Determination as to whether prior approval is required in respect of transport & highway impact, noise, contamination risk, flooding and locational considerations for the conversion from offices to 2no. dwellings (1x 3 bedroom House and 1x 1 bedroom Apartment and associated works) requiring no alteration to the existing building envelope. - (GPDO Schedule 2, Part 3, Class MA)
The previous planning application has been declined. The neighbourhood plan has policies in place that shows WPC is opposed to loss of commercial property for residential in the high street area. There appears to be parking but this is not confirmed in the application. It was **RESOLVED** that our prior objection stands with the additional concerns over additional traffic being encouraged down very narrow roads which are largely used by pedestrians who access the businesses in those areas.
