Management Protocol – London Road Open Space **(Formally Skate Park)**

Objectives

The objective of this document is to define the best practice, guidelines, and targets for the management of the London Road Open Space, formally the Skate Park. The skate park equipment was removed early 2020, due to the findings from the yearly ROSPA inspection report.

The protocol is managed and agreed by the Amenities Committee and implemented by the Clerk and Groundsmen.

General Policy

The policy of the Council is to manage the general environment of the London Road Open Space which is situated within the AONB. One end of the site is made over to allotments and is managed under the allotment Association Rules.

Parish Council Maintenance Policy

- WPC remains responsible for hedgerows and fencing for most of the site. The hedgerow and fencing along the boundary with the rail line is the responsibility of Network Rail.
- WPC will maintain the ground with monthly cutting/strimming of the grass during the growing season.
- WPC will maintain the trees and hedgerows to encourage wildlife.
- WPC will reserve the right to decommission any equipment.
- Litter will be collected and disposed of by the Grounds Team.
- All proposed changes to the site must be in agreement with the Amenities Committee.
